

JUNE PITCH FEE UPDATE – MONDAY JUNE 1st 2020

Good afternoon

I hope you had an enjoyable weekend and were able to take advantage of the beautiful weather. And, I hope you are continuing to keep safe and well.

Further to recent communication, I wanted to advise you of the pitch fees for June.

Based on feedback from Owners, we settled on a discount of 50% across the three months of April, May and June. To achieve this, we provided a 100% discount in April, a 25% discount in May and we are providing a 25% discount for June. Over the three months, this equates to a 50% reduction as shown below:

For instance:

Annual pitch fees	£4,800
Equivalent monthly pitch fee	£ 400

	APRIL	MAY	JUNE	TOTAL
Equivalent Monthly Pitch Fee charged	£400	£400	£400	£1,200
Discount given	100%	25%	25%	
Revised Pitch Fee Charged	£0	£300	£300	£600
TOTAL DISCOUNT				50%

As previously, for those of you paying by direct debit there will be a charge equivalent to 75% of the monthly pitch fee and for those of you who have paid in advance, there will be a credit to your account worth 25% of the monthly pitch fee.

We continue to review pitch fees on a monthly basis and any discount will only be applied whilst we remain closed.

I hope this is clear and we will update you further, as normal, on Wednesday evening.

Kind regards

Carl Castledine
