Food and drink

The Spitfire

The Spitfire Bar is always on hand to serve you up a winning combination. In the morning, let us do the hard work and ease you into the day with a choice of a full Lincolnshire breakfast, our stacked pancakes smothered with a choice of indulgent toppings or a simple breakfast bap.

From lunchtime all the way through until 9pm, we've got you covered with our selection of filled wraps, light bites and salads, or for the hungrier appetites why not try our range of gourmet burgers or maybe a hand battered cod with chunky chips.

Finish it all off with a choice of indulgent desserts... you are on holiday after all!

The Spitfire also plays host to our entertainment and has sliding doors that open on to the patio overlooking Water-ski Lake. You can sit back and watch or alternatively sit outside and enjoy the sunset.

PROPELLER
BAR & KITCHEN

Taking its name from the boats that use the lake and from our neighbours the Battle of Britain Memorial Flight.

Open for lunchtime refuelling, whether that be a filled ciabatta or freshly made salad. Dinner brings you our Italian inspired menu where you can enjoy an array of delicious pasta and pizza dishes, along with a few classic main dishes.

The venue offers sublime views across the lake, this first floor venue is absolutely magical as the sunsets.

Bar 49 offers chilled vibes, fresh air and refreshing drinks, this is an outdoor space perfect for warm summer evenings and cosy cooler nights.

The bar takes its name from the 49 airfields located in Lincolnshire during World War II.

Why not visit our brand new adult only bar and lounge, the Giggling Goose? Take flight and join us to enjoy delicious cocktails, over 100 gins and a few hidden surprises! Soak up the view on the stunning roof top terrace whilst you sit back and unwind.

Reduce, reuse, recycle.

Please help us in our mission to protect the environment for future generations by following our refuse rules below:

Lakeside – When enjoying yourself by the lake and at the beach, please remember to remove all rubbish. Please dispose of any rubbish in the bins provided on park.

Lights – We would also appreciate your consideration by turning off all lights each time you leave the room.

Mixed recycling

Please use the **clear bag** provided for your mixed recyclable items listed below:

Clean cardboard and paper

Clean plastic food packaging

Clean plastic drinks bottles

Clean metal tins and cans

It's really important to make sure that the materials you're recycling are clean and free of food so that they don't contaminate other recyclables, so please give everything a quick clean (plastic and metal especially).

General waste

Please use the **black bag** provided for all your general waste items listed below:

General refuse including: pet waste, polystyrene and nappies

Food

Light bulbs

Contaminated packaging

Glass

Please dispose of any glass items loose in the designated bins situated on park.

Essential hot-tub info

DO'S ✓

Shower before and after use - this will remove oils, creams, lotions, make up, tans etc, which will seriously affect the water quality if not removed.

Use the toilet before entering - not leaving the hot tub to use the toilet will seriously affect water quality.

Respect your neighbours - no loud music, shouting or screaming outside. Due to the noise of the bubbles, you may not realise how loud you are. 11pm curfew must be adhered to.

Only children over the age of 14. Supervise children in the area at **ALL** times.

Limit your dips to a maximum of 15 minutes at a time - extended use can cause dizziness.

Consult your GP before using if you are pregnant, suffering from any form of heart disease, circulation problems or any serious illness. *If you feel unwell or experience breathing difficulties, discontinue use of the hot tub and seek medical advice.*

Take care when entering or exiting and use the bath mat provided - decking can become slippery when wet.

Replace the lid after use - this will keep the heat in and be ready for you when you fancy another dip.

Contact the park staff if you have any concerns or problems.

DON'TS ✗

Don't add anything - bubble bath, shampoo, gels, soaps, oils, salts etc, can seriously affect the water quality and filter system and will result in a cleaning charge of up to £100.

Don't rest any glasses on or near the hot tub - broken glass is almost invisible under water. Any broken glass found in the vicinity will result in the hot tub being drained to check for glass. *Use plastic glasses instead.*

Do not use while using or after using any drug that may cause drowsiness, sleepiness or raise/lower your blood pressure.

Don't use any electrical equipment in the vicinity.

Don't use in a thunderstorm

Don't place candles on the hot tub - candle wax can damage the filter system.

Don't sit, stand or lie on the lid - they are not very strong. A replacement will be charged to you.

Don't immerse your head or swallow the water - this can increase the risk of infection. *Don't allow children under 14 years or those unable to keep their head above the water level when sitting, in the tub.*

Do not use after a heavy meal or while under the influence of alcohol.

Don't exceed the maximum number of people than it is designed for.

No animals are allowed in the hot tub.

Please take note of these rules, should any of them not be adhered to, it could result in your hot tub being taken out of action! Keep an eye out for the floating yellow duck. When in place, your tub is ready to enjoy!

Should you have any issues with your hot tub or if it is contaminated, please contact Guest Services.

Keeping safe

Keep to the speed limit – the maximum speed limit around the park is 10 mph although we advise you go slower than this. Remember excited children don't always pay attention so for everyone's sake drive slowly.

Park roads are public roads – all roads on the park are subject to the Road Traffic Act. Don't fall into the trap of thinking they are private as they are not. All rules that apply on normal roads apply on our roads, including drink driving and seat belts.

Car parking – Take care when parking, do not use mobile phones when driving. Do not block up any access routes that may be used by emergency vehicles. Never use vacant caravan pitches for parking as this can be dangerous. All vehicles are parked at the owners' risk.

No smoking - Smoking is prohibited in all accommodation and public areas.

Fire action – When you arrive at your pitch or accommodation, note the nearest Fire Point. In the event of a fire....

- Evacuate your accommodation and alert neighbours
- If possible, turn off gas and electric supplies
- Raise alarm by contacting Guest Services or call 999
- Do not re-enter accommodation to retrieve belongings
- Tackle a small fire with extinguishers or hoses, if safe.

Gas leak – Report any gas leak, don't hope others will.

- Do not smoke or use a naked flame
- Do not operate electric switches or use mobiles
- Turn off the gas supply & open doors and windows to disperse the gas as you leave the accommodation
- Contact Guest Services or Park Security immediately.

Play safely – Mums & Dads – Always ensure your children know how to get back to your accommodation. Be sure to know exactly where they are and tell them where you will be. If you have lost your children please go to Guest Services or if out of hours, please contact Park Security.

Entertainment for children – Organised activities for children are provided for as entertainment only. Please note that we do not offer childcare facilities and your children remain your responsibility at all times. Children under 8 yrs of age must be accompanied by an adult at all times. Children should wear clothes that are appropriate for the activity they are attending and remember that they should be given a drink and sun block in hot weather. Please ask your children to be well behaved at all times.

Take care – Our park is in a rural setting and surrounds several big lakes. Please take care when on foot and keep a close eye on all family members when you are near the lakes. Always ensure your children know how to get back to your accommodation or pitch.

The lakes – No swimming or diving into any of the lakes – DEEP WATER

Please note – Our beaches are not supervised. Outdoor activities are weather dependent, but don't worry, we still have plenty of great indoor activities that run whatever the weather! Unfortunately, we are unable to provide childcare facilities and children remain the responsibility of their parents or guardian at all times. Activities and times may be subject to change without prior notice. All information printed in this booklet is as up to date as we can make it at time of going to print, however is subject to change. We apologise in advance for any problems this could cause.

DOGGY doo's & don'ts

Our doggos are part of the family at Away Resorts, so a holiday just wouldn't be the same without them!

When bringing your dog(s) to this park there are three golden rules...

Rule #1

Keep your dog(s) tethered at all times

We know it's hard to believe, but not everybody likes dogs so we must respect that.

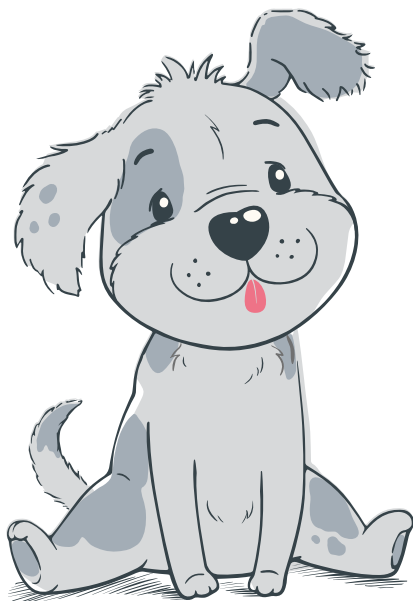

Rule #2

If your dog poops then pick it up

Poop bags are available from Guest Services so no need to worry if you run out!

Rule #3

Please do not leave your pets unattended in your accommodation for any reason.

Follow these stickers or signs, your dog is welcome here on a lead.

If you see this sticker or sign, we're afraid dogs are not allowed.

Why not bring a frisbee or a ball for a kick about. Or with stunning lakeside views explore one of the many nature paths in the area.
